

# Facial Peels

## AGE REVERSAL FACIALS using La Clinica

These non invasive skin peels are organic cosmeceuticals, safe and effective for all skins. As our skin is a living breathing organ, with layers, so too are these beautiful organic peels used to layer into the levels of our skin, allowing the skin to rejuvenate on multiple levels. It would be accurate to say no one aspect treatment can resolve our skin concerns. We offer levels and synergistic facials that together to create long lasting, beautiful results covering all aspects of skin repair.

## PEEL TREATMENTS are designed FOR SKIN REJUVENATION

Skin may present with lines fine to deep, enlarged pores, pigmentation like Melasma, uneven skin colouring, milia, blackheads, acne pitting and scars. Having regular peels treatments keep our skin fresh healthy and slow the ageing process. Causes can be environmental damage, sun exposure or the affects of the sun on skin using medications. Chemical damage from products and medications can result in photosensitivity. Acne scarring, genetic disposition, Stress and busy life styles and products containing harsh chemical ingredients.

Choose from RETINOL to smooth the skin surface, ENZYME resurfacing Peel which is immediately visible & a powerful antioxidant or pure VITAMIN C that is transported in to skin through a tiny molecular AHA derived from organic sugar cane. These beautiful resurfacing treatments can be done individually, choose from one. Or they can be layered together in the Ultimate Age Reversal Facial.

All facials include a complimentary eyebrow shape or lash tint
